Shareholders and potential investors are advised to read carefully the financial results of the Group when it is published.

Note 1: While the total sales volume does not correlate directly to the revenue the Group recognises during a particular period as it includes all sales volume of the Group's 50%-owned LYNK & CO's joint venture and 50%-owned Livan's joint venture on a 100% consolidated basis, the board of directors of the Company believes it is more indicative of the underlying demand of the Group's vehicles. Note 2: Subscription means that customers use vehicles and ancillary services during the subscription service period through regular payment of vehicle subscription fees, including vehicle insurance, daily maintenance, data services, road assistance, etc.
